**0800** Departure.

**0830-1000** · **Tri-Mountain National Scenic Area - Baguashan Ecological Visitor Center**

Baguashan (Mt. Bagua) Big Buddha is built in 1961. The whole body is curved with the ferroconcrete sculpture. From the lotus seat to the Buddha's whole body, the length is about 7.2 foot; the shoulder length is about 13 foot, and the length of the across chest is 44 foot. It was called the biggest Buddha in Asia in early years. Big Buddha is not only to supply visitors to join visiting, but also an important athletic place for the people in Changhua at usual. The aroma joining the Buddha footway of green view, it is a beautiful place that you can imagine.

**1030-1120** · **Changhua Railway Roundhouse**

Changhua Railway Roundhouse is the only one in Taiwan, at the same time, the steam train head is also very rarely now. When the steam train head finished its final trip and drives into the fan-shaped garage, this garage obtained both historic and culture value.

**1200-1500** · **MITSUI OUTLET PARK Taichung Port (Lunch on your own)**

Taichung Port's new integrated leisure and recreation destination Mitsui Outlet Park occupies a generous, 18-ha stretch of port land. Phase I welcomes the opening of 170 retail shops and outlets, including famous makers such as TUMI, The North Face, Timberland, and Stage; restaurants including Ivorish, Bulls, Kintan Buffet, Kaneko Hannosuke, and Sanwa Japanese Restaurant; and entertainment providers such as Snow Town and Asobi Square, as well as a stunning new Ferris wheel offering unbeatable coastal views.

**1530-1700** · **Gaomei Wetlands**

Gaomei Wetland located on the south of the mouth of Dajia River is a land mixed with both sand and soil textures and comes in 1,500 acres. That explains why it has complicated yet rich wetland ecology and possesses the largest group of *Bolboschoenus planiculmis* in Taiwan. Due to diverse geographical features, the species of its ecology is quite abundant. Every year around fall and winter, large flocks of migrating birds would come here for either short or long stay over the winter, serving as the best spot for bird-watching.
